Dear Miss Meagher:

Thank you for your thoughtful and informative letter about the Kennedy X-rays and photographs. I wish I had known this at the time, but perhaps it is not too late to backtrack a bit and see if anybody can come up with explanations. One problem is that Ramsey Clark has left office and town too, I think. I myself have been away for a week and will be away for several days more.

When I return I'll see what can be turned up, and if anything can, I trust you'll be reading about it.

Again, many thanks. I believe we have a mutual friend--Bud Fensterwald.

Sincerely,

Fred Graham
